For Facebook users, below are the CLOSED groups I know of devoted to Weaving/Spinning. If you know of other weaving/spinning groups on Facebook, please email, PM or text me and I will add them to this document.

Before requesting to join a particular group,

- 1) change your Facebook Cover Photo to something you have woven, and
- 2) ensure that your Facebook Intro/About info is Public and indicates that you are a weaver.

Once you are notified that your request was approved, click the '...More' box below each group's Cover Photo. From the drop down menu, select 'Pin to Shortcuts'. Now, from your Facebook Shortcuts sidebar, you can easily access posts from each group you've joined.
